

PIXLE

gesty  
set of vector gesture icons  
version 1.1

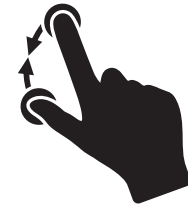

# Thank you for buying Gesty set!

Gesty is a set of vector gesture icons useful for UI/UX designers, manuals publishers and many other creators. Available in three different styles, few combinations and popular formats - Illustrator (ai/symbols), Photoshop (shapes), Axure, Omnigraffle, EPS, SVG.

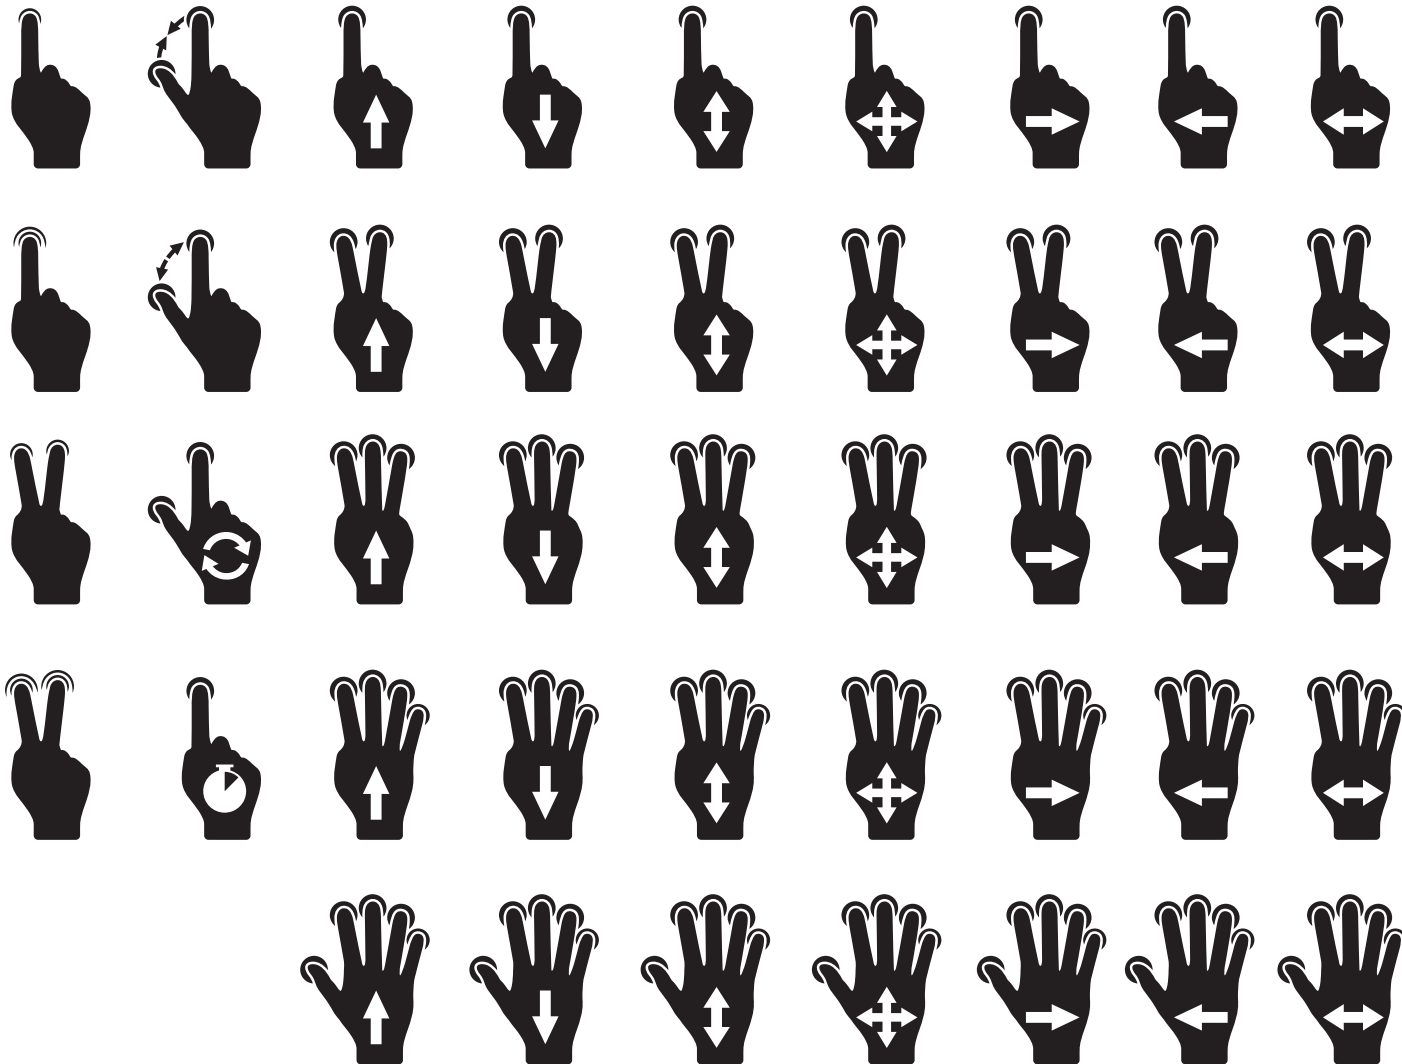

You will receive all future updates.

Please read the “Gesty License Agreement.pdf”
